 - Strategic Environmental Planning
 - Legal land use processes
 - Art and Aesthetics in the Landscape
 - Social ecology
 - Landscape classifications

PROJECT RELATED EXPERIENCE

PROFESSIONAL SKILLS

Project Management and Quality Assurance

Managed, administered and coordinated wide spectrum of projects. Directed and coordinated corporate marketing plans. Prepared statements of qualifications, tracked project progress and costs, and review project for quality assurance and consistencies.

Urban and Landscape Design

Detail master plan, site development plan, construction documents and on-site supervision. Infrastructure design, landscape architectural design, graphic design, construction documentation and management.

- Vereninging Museum and Archeological Group **Free State, South Africa**
- Tzaneen Horticulture and Garden Club **Limpopo Province, South Africa**

- Pretoria City Council Horticulture and Garden Club **Tshwane, South Africa**
- Garankuwa YMCA park re-development and Urban Wildlife project. **Tshwane, South Africa**
- Voortrekker Monument Hiking & Biking Trail Planning **Tshwane, South Africa**
- Edge of the Sea **Durban, South Africa**
- Richmond Canal Restoration **Richmond, USA**
13 miles of waterfront along the St James' River in Richmond Virginia, USA. Including urban design, theme parks and canal walkway system.
- Fountains Hotel **Tshwane, South Africa**
Master plan and site design for a new five star hotel in the Groenkloof Nature Reserve, Pretoria.
- Centurion City Celebrating an Image Competition **Tshwane, South Africa**
- Irene Golf Club **Irene South Africa**
- Brynterion landscape Master Plan and detail implementation **Presidency, Tshwane, South Africa**
- National Roodeplaat Dog Training School **Dinokeng, South Africa**
- Project M – Manchester United Soccer academy **Irene, South Africa**
- Heritage Hill Residential Estate **Irene, South Africa**

Public Participation and Impact Assessment

Impact analysis including gathering and coordination of all environmental consultant's information, permit requirements, and preparation of applications, compilations and criteria for review of information, and impact statements for both natural and built environments.

- Badenhorst Estate **Brakpan, South Africa**
- EIA Loftus Sport Stadium **Tshwane, South Africa**
- Development of Multifunctional business centre, offices and sport complex.
- EIA and SDP for Bronkhorstspuit Dam Tourism Zone. **Bronkhorstspuit, South Africa**
- EIA and planning for the first onshore petroleum exploration in South Africa. **Kwa-Zulu Natal, South Africa**
- SEA and Implementation Strategy for the Bronberg **Tshwane, South Africa**
- EIA for Mabote Game Farm **Limpopo, South Africa**
- EIA Waterberg Game farm and eco residential estate **Bela Bela, South Africa**
- EIA Lion Park residential estate **Krugersdorp, South Africa**
- EIA The Hills golf and residential estate **Kungwini, South Africa**
- EIA Mooiplaats residential estate **Kungwini South Africa**
- EIA Maloney's Eye agricultural and residential estate **Krugersdorp, South Africa**
- EIA Subarbush residential estate **Krugersdorp, South Africa**

- EIA Honingklip retirement village **Krugersdorp, South Africa**
- EIA Riversands **Muldersdrift, South Africa**
- EIA Rivergate **Hazyview, South Africa**
- EIA DeRust, Business and Residential estate **Hartebeespoortdam, South Africa**
- Section 31 – Development Facilitation Act applications **South Africa**
 - Newbury office development
 - Hillside Office Development
 - Lynnwood Junction
 - Waterkloof Glen
 - Atterbury Towers
 - Lynnwood Retirement
 - Lanseria
 - Mabote Eco Estate
 - Monavoni Integrated Waste Management Facility
 - Maloney's eye
- Environmental programmes and sustainability guides **South Africa, USA**
Production of education programmes and curriculum for institutional (primary, secondary and Universities) as well as a green office guide for private business and corporations.

Tourism Planning with Community Benefits

Large scale game park analysis and planning to include environmental evaluation, capacity studies, lodge and infrastructure locations and optimisation of aesthetic characteristics. Lodge placement to include site layout, amenities design, facilities design and cost of construction determinate. Planning and design of adventure and leisure facilities to include construction package and development cost.

- Smuts House Conservancy **Irene, South Africa.**
- Community Concession Areas in Botswana **Moremi, Botswana**
Completion of Four Successful Competition Tender Documents for Abercrombie & Kent.
- Aventura - Master plan, design and construction. **Mpualanga, South Africa**
Also, on-site supervision of expansions to a hot water spring resort and water park, incl. chalets, river ride, hydro spa, golf course, nature trails and game park.
- Botswana –community benefit programmes **Okavango Delta and Chobe Nature Reserves, Botswana**
- Swaziland Tourism Development Master Plan for Tibyo Royal Trust. **Mbabane, Swaziland**
- Peace Parks for Africa **South Africa, Mozambique, Zimbabwe, Malawi, Tanzania**
Community benefit studies and strategic planning for growth planning.
- Xhosa Community Benefit Programme at the Kei River complex. **Pondoland, South Africa**

Strategic Planning and Feasibility Analysis

Prepare evaluation of the critical factors affecting development, including environmental analysis, physical site analysis, real estate market overview, community socio-economic analysis, and public policy analysis. Strategic planning involving pragmatic approaches to financing, regulatory agencies and potential users. Social Ecology programmes of the National Parks Board.

- Dinokeng – 254000km² regional game and tourism growth initiative **Gauteng, South Africa**
- Kruger, Gaza, Gonerazo, Trans Frontier Park SDI and SEA **South Africa, Zimbabwe, Mozambique**

- Makuleke Community Benefit Programme **Kruger National Park, South Africa**
- Blyde River National Park **Mpumalanga South Africa**
Development Proposal for expansion to include the Sand River and related Conservation areas.
- Galeshewe Open Space and Landscape Plan **Kimberley, South Africa**
- Frances Baard District Integrated Environmental Management Plan **Northern Cape, South Africa**
- Lebombo Strategic Development Initiative **South Africa Mozambique, Zimbabwe,**
- Bronberg Strategic Environmental Assessment **Tshwane, South Africa**
- Tshwane South West Quadrant - Integrated Environmental Management Plan. **Tshwane, South Africa**
- Mogogelo Nature Conservation and Physical Planning Proposals. **Magogelo Community, South Africa**
- Action Apies Workshops and Visioning Workgroup **Tshwane, South Africa**

Cultural Landscape assessments and specialist research

Complete extensive and comprehensive research projects with complicated methodologies with the purpose to compile data bases for the making or changing policy, creating workable frameworks, setting work processes and publish results.

- Modderfontein rehabilitation programme for Dynamite Factory One, Two and Three **Midrand, South Africa**
- Brynterion Conservation Management Plan **Tshwane, South Africa**
- Pondoland cultural resources assessment **Pondoland, South Africa**
- Addo Cultural resources assessment **Easter Cape Province, South Africa**
- Mapungubwe cultural resources assessment **Limpopo, South Africa**
- Bonjanala District cultural resources assessment **North West Province, South Africa**

Visual Impact Assessment

- Aesthetic, Land Use, Noise and Tourism Character & Impact Assessment for Mooinooi Chrome Smelter – Rustenburg.
- Benga Mine **Mozambique**
- Langkloof Smelter **South Africa**
- Mooinooi Chrome Smelter **Rusterburg, South Africa**
- Commercial Development Mlilwane **Mbabane, Swaziland**

GIS Specialisation

Specific application on Strategic Planning, Land Use Assessments and Land Use Planning

ENPAT/TOURPAT is an internationally unique environmental and tourism potential and decision-making system comprised of six main components. Each National, provincial and metropolitan product consist of all these aspects, which are:

1. Data base of biophysical characteristics
2. Data base of cultural historic characteristics
3. Spatial representation of the databases linked to the decision-making support system.

4. Decision-making support system
5. Contribution to design of a user-friendly display viewer that require no unusual hardware or software for use other than a personal computer.
6. Contents of report options that are linked to the spatial data sets and the informative parameters that are printed as part of an data query option.
