Attachments: BID_Diepsloot_2012_05.pdf

Good morning

Our offices have been appointed to conduct an Environmental Impact Assessment for the proposed new development of Diepsloot X8.

The City of Johannesburg, Environmental Management Department has been identified as an Interested and Affected party.

Attached hereto please find a Background Information Document for your attention.

Please note that as further information becomes available, same will be forwarded to yourself.

Kind regards
Jitske Botes
