Good morning

The above matter refers.

Our offices have been appointed to conduct an Environmental Impact Assessment for the proposed mix use development of the Remaining Extent of Portion 5 of the Farm Diepsloot 388 J.R.

Attached hereto please find all the information at our disposal up to date.

Also please note that the Draft Scoping report is currently available for review and comment by Interested and Affected Parties until the 15<sup>th</sup> of August 2012. I have attached the Draft Scoping report hereto for your further attention.

Kind regards  
Jitske Botes
