**Attachments:** BID\_Diepsloot\_2012\_05.pdf; diepsloot x8 minutes.pdf; Diepsloot X8 PPM Presentation 2012.07.17. gtpptx 1.pdf; Diepsloot draft scoping report 2012 07.pdf; Diepsloot - PPR 2012\_06.pdf

**For Attention: Prof. CM De La Rey**

Good morning Professor CM De La Rey

The above matter refers.

The University of Pretoria – Veterinary Science Department has been identified as an Interested and affected party.

Our offices have been appointed to conduct an Environmental Impact Assessment for the proposed mix use development of the Remaining Extent of Portion 5 of the Farm Diepsloot 388 J.R.

The University of Pretoria, with specific reference to the Veterinary Science Department has been identified as an Interested and affected party for the above mentioned matter.

Attached hereto please find all the information at our disposal up to date.

Also please note that the Draft Scoping report is currently available for review and comment by Interested and Affected Parties until the 15<sup>th</sup> of August 2012. I have attached the Draft Scoping report hereto for your further attention.

Kind regards

Jitske Botes
